

Wedding Brochure.

Wedding Day Wish (Your Day)

*Today is your day
Remember through the years
This day, will stand out,
Amidst hopes and fears
Along life's path together,
You two will wend you way,
Although, not always, rosy,
Together on it, you'll stay,
Troubles will come,
And seem insurmountable.
Tragedy, drama, Comedy too,
In turn each part will be played by you,
And living - loving day by day,
Let your anger depart when it's
Time to pray.
Give a lot - and take a little,
You'll both know what to do,
For the little things in life
Are the ones that are really true.*
